1 p.m. - 5 p.m. – EMS Leadership Course

- This is a new course based on the ACADIS leadership training series. This initial offering will focus on EMS organization interactions at the state level, including state processes, forms and rules/statutes. Targeted groups include new EMS leadership such as EMS chief/director, EMS operations chief, training staff and supervising hospital officials, but any EMS professional looking to advance their careers is encouraged to consider participation.

ADDITIONAL NOTES

- Please register via Acadis so organizers can get an accurate attendance count for space planning.
- There are no registration or participation fees.
- All sessions will count toward EMS continuing education credits.
- You can attend part or all of the sessions.
