Candice,

Here is the POST data you requested for the EMS Commission meeting.

Looks a lot better than it has in the past!

- Unique Individuals in Acadis that have the POST certificate of completion on their Person Record – **27,120**
 - Of those **27,210** above-> **2,449** have received the POST training completion certificate, but do not hold ANY EMS certifications at the time of this report.
- Unique Individuals who have at least ONE of the following EMS Certs (Paramedic, AEMT, EMT, or EMR) – **24,672**
 - Unique individuals who have one of the aforementioned Certs, but DO NOT have a POST certificate of completion on their record – **1,096**
 - Breakdown of the 1,096 Ems certified persons without POST (no dupes, only highest level cert on their record)
 - PARAMEDIC - 125
 - AEMT - 8
 - EMT - 631
 - EMR - 332
 - There are 744 persons without POST that have organizations listed on their record, but unfortunately 421 of those organizations are unique; and 352 persons that do not have an Org listed.

I have attached a file with the unique information of all individuals without a POST on their record.

Regards,
Alex
