

INDIANA DEPARTMENT OF HOMELAND SECURITY

State-level and South Regional Exercises Postponed

Due to the ongoing pandemic and logistics concerns, the State-level Exercise planned for Aug. 30 and the South Regional Exercise planned for Aug. 18 have both been cancelled.

The Exercise Section is assessing its options, including looking at CDC guidelines, rescheduling considerations and grant performance periods. These exercises may look different in scale and size moving forward. Safety is the top priority for IDHS staff and partners.

This notification is being sent to the Exercise Planning Teams, IDHS District Liaisons, and IDHS leadership. Please forward to respective individuals for awareness as needed.

Please contact the Exercise Section with any questions or concerns you may have.

Take care and stay safe,

Exercise Section
