Subject: Franciscan Health - Emerson Parkway campus - COVID-19 testing - Temporary Structures

To whom it may concern at the Indiana Department of Homeland Security,

I am transmitting separate emails for Franciscan Health property locations and their continued use of Temporary Triage Facilities beyond the initially designated 90-day period for temporary structures (per the attached Proposal). I have also attached the Exemption Letter received from your office, the signed Homeland Security Application, and associated drawings for the Franciscan Health Emerson Parkway COVID-19 Temporary Structures.

Per the directions of the Proposal, the following is information pertinent for the Franciscan Health Indianapolis Campus location:

- I. Address: 965 E. Emerson Parkway, **Greenwood**, IN 46143
- II. Purpose: Per the attached drawings, there are (2) temporary structures which will continue to be used in the proposed capacity by the Hospital in response to the COVID-19 public health emergency for the duration of the current public health emergency (Franciscan Health leadership anticipates the continued need for these structures through the first quarter of 2021). These temporary structures include:
 - a. a command center trailer (PAC-VAN manufactured ground level trailer unit) used for healthcare staff work/office space adjacent to the drive-up testing location, as depicted on the attached drawings
 - b. a free-standing canopy for sheltering healthcare staff from the weather between the command center trailer and the vehicular drive-up testing lane
- III. Requesting continued use of these temporary structures (beyond the 'traditional' 90-day time

frame of a temporary structure), per the Proposal's request regarding Citation #4, 675 IAC 12-6-2(f) to "Modify the definition of temporary structure..."

- IV. Compliance Following Expiration of Proposal: In the event Franciscan Health's need for these temporary structures coincides with the Expiration of Proposal, these structures will be removed in their entirety and conditions of their location will be restored to their previous state. Should Franciscan Health's need for these temporary structures continue beyond the duration of the Proposal/declared public health emergency, a Variance will be sought/obtained to permit such continued use.

Please contact me by phone to discuss further if needed. My cell phone is (317) 752-8435.

Sincerely,

Josh Haywood, AIA, NCARB

RE: COVID-19 Temporary Testing Structure
Fransican Health – Emerson Campus
965 East Emerson Avenue,
Greenwood, IN 46143
Johnson County

Mr. Tudor:

We have received your request for an exemption for the construction of a Temporary COVID-19 Testing Structure to be erected outside of the main Fransican Health Facility.

Section 4(a)(2) of the 1987 General Administrative Rules {675 IAC 12-6} Provides that Temporary Structures are exempt from the State release requirement.

The Definition for a Temporary Structure is provided in Section 2(f) of the 1987 General Administrative Rules {675 IAC 12-6} and states:

“Temporary structure” means any of the following:

1. A Class 1 structure that is erected or installed for a period of not more than ninety (90) days after which it will be demolished or relocated.
2. Portable structures on construction job sites for use by persons involved in the construction process.
3. Mobile structures as set forth at IC 22-12-1-17.

Therefore, this project is considered Exempt from filing with the State of Indiana DHS Plan Review section in accordance with 675 IAC 12-6-4 with the limitations and restrictions presented in 675 IAC 12-6-2.

Sincerely,

Sean Callahan, PE
Plan Review Assistant Section Chief
