Job Description:

The Ascension St. Vincent Critical Care Transport (Adult ·Neonatal ·Pediatric ·Maternal Fetal) team is accredited by the Commission on Accreditation of Medical Transport Systems (CAMTS). We are dedicated to safety, quality, and evidence-based care delivery.

Our Critical Care Transport (CCT) teams provide the highest quality of advanced transport medical treatment using industry-leading equipment while delivering safe and exceptional ICU-level care.

Outside of industry-leading equipment, these crews are staffed with diverse backgrounds including Nurses, Respiratory Therapists, Paramedics and EMTs. This is how our teams can safely coordinate and manage a wide range of emergency calls that include adults, pediatrics and neonatal patients. We work closely with Peyton Manning Children's Hospital at Ascension St Vincent to ensure we have the team members available to coordinate all pediatric or neonatal calls.

We are committed to safety in every transport, quality care

delivery for every patient, and securing tomorrows for the patients we serve while strengthening communities.

As a member of Ascension St. Vincent Indianapolis, you will be joining one of the leading non-profit and Catholic health systems in the U.S.
