NON-FINAL ORDER OF DISMISSAL

On April 8, 2016, the Administrative Law Judge initially assigned to this appeal accepted a new position and withdrew from this matter. It appears this file was at some point in time placed in a "closed" status and appeared to have been dismissed quite some time ago. However, it was discovered in the process of transferring closed case files to the Indiana Records Center that a Final Order disposing of this matter was never issued in this case, or, if it was, it is not included in the file. **Regardless, neither party has pursued this case in several years; therefore, the Administrative Law Judge now enters this Non-Final Order of Dismissal.**

The ultimate authority in this matter is the Fire Prevention and Building Safety Commission. Indiana Code § 4-21.5-3-29(d) requires any party seeking to preserve an objection to this order for judicial review to file a written objection that:

- 1. identifies the basis of the objection with reasonable particularity; and
- 2. is filed with the Commission within fifteen days (or any longer period set by statute) after this order is served.

In the absence of an objection from a party or notice from the Commission of its intent to review any issue related to this order, the Commission shall affirm this order in accordance with Ind. Code § 4-21.5-3-29(c). **This order will be considered by the Commission on March 5, 2019 at 9:00 a.m. (EST), in Conference Center Room B, Indiana Government Center South, 302 West Washington Street, Indianapolis, IN 46204.**
