NOTICE CONCERNING FIRE SAFETY PROTECTION

_____, 20____

Dear Parent(s) or Legal Guardian(s):

Under Indiana law, a childcare ministry may choose not to provide certain fire safety protections if the parent(s) or legal guardian(s) of each child is/are notified about the absence of the fire safety protections. The purpose of this notice is to advise you that this childcare ministry does not have the same level of fire safety protection as a licensed childcare center. As you have already been notified, the childcare ministry does not have to comply with the same sanitation, life and fire safety rules as a licensed childcare center. The reason you are being given this notice is that this childcare ministry has chosen not to provide the fire warning system required in I.C. 12-17.2-6-5(c)(1)(A) nor I.C. 12-17.2-6-5(c)(2)(A). This form states that the ministry does not have the same level of fire safety protection as a license childcare center.

I/we, the parent(s) or legal guardian(s) of _____,
acknowledge that I/we have read and understood the above notice concerning fire safety protection.
