Reminders and Dates to Know

FY20 First Quarter Program Reports are Overdue

If you have not already submitted a first quarter program report, it is now considered overdue. If you are not ready to submit for reimbursement, please submit a zero-dollar fiscal report for this quarter by **July 15, 2020.**

FY20 Performance Period Extensions Deadline Coming Soon

If your school was affected by COVID-19 and you do not anticipate completing your grant expenditures by August 31, 2020, you can apply for an extension. To apply for an extension your school must have a program report and a fiscal report submitted in the IntelliGrants system. Then, you will submit a GAN (Grant Adjustment Notice) to extend your grant

period. After this extension is submitted and approved, a formal amendment will be sent to your school's signatory to sign. This will be similar to the grant agreement process and may take a month for approval. **The deadline for extension submissions is 5 p.m. EDT on July 24, 2020.**
