

# MAKE A PLAN

## HOW TO MAKE AN EVACUATION PLAN

1

### MAP IT OUT

Draw a map of your home or work. Include all doors and windows.

2

### FIND 2 WAYS OUT

Whenever possible, find two ways out of every room.

3

### KEEP IT CLEAR

Make sure doors and windows are not blocked by furniture.

4

### PLAN TO MEET

Choose an outside meeting place in front of your home.

5

### PRACTICE

Practice your drill with everyone in your home.
