• Draw a floor plan or a map of your home. Show all doors and windows.
• Mark two ways out of each room.
• Mark all of the smoke alarms with SA. Smoke alarms should be in each sleeping room, outside each sleeping area and on every level of the home.
• Pick a family meeting place outside where everyone can meet.
• Remember, practice your plan at least twice a year!

Grown-ups: Children don’t always wake up when the smoke alarm sounds. Know what your child will do before a fire occurs.
