2023

GET SHAKIN'

VIDEO CONTEST

The *Get ShakIN'* video contest gives school-aged Hoosiers (K–12) the chance to win their class or group an earthquake event at their school, including a visit from the Quake Cottage earthquake simulator (if available), EQ awareness and preparedness information and practice earthquake drills to keep people safe.

Groups can enter by submitting a student-produced video focused on earthquake preparedness and/or safety. A panel of judges from IDHS will select the overall winning video to display on the IDHS *Get ShakIN'* website. The winning video's group will also receive the grand prize of an "Indiana Earthquake Day" event!

CONTEST RULES

DURATION & ELIGIBILITY
The contest opens Feb. 1, 2023, and runs through Oct. 31, 2023. It is open to classes or groups of students in grades K–12 from public, charter and private schools that are eligible for federal funding.

HOW TO ENTER
Create an earthquake safety video, upload it to YouTube and complete the contest entry form online at https://on.in.gov/get-shakin-entry-form.

WINNER SELECTION
All video entries will be evaluated by a panel from the Indiana Department of Homeland Security. The panel will select one video as an overall winner based on following the rules, quality of safety information provided and creativity. The winner will have its video displayed on the *Get ShakIN'* website and will receive the grand prize, an "Indiana Earthquake Day" event.

RULES
- Video must focus on earthquake safety and/or preparedness, including a minimum of three different tips.
- Video must feature students and primarily be produced by them (adults may help with production).
- Video must be at least 90 seconds long (maximum three minutes).
- Video must be made publicly available online.
- Anyone under age 18 must have permission to appear in the video and promotional photos/videos related to the contest.
- One entry per class or group, but more than one entry per school is allowed.
- Be creative!
