Full course information can be found by following the QR codes below. Additional prerequisite details available at [on.in.gov/iahmr](http://on.in.gov/iahmr).

**Highway Emergency  
Response Specialist (HERS)**  
20 openings

SERTC provides world-recognized surface transportation incident training courses. Participants will experience full-scale, immersive training to prepare them for real-world hazmat and surface transportation emergencies.

To attend these trainings, approval and application FIRST must be made to SERTC at [www.sertc.org](http://www.sertc.org).

1. Send completed SERTC application for the specific course to Justin Stump, [jstump@dhs.in.gov](mailto:jstump@dhs.in.gov) (317-617-4235). Application must be signed by department supervisor before being submitted.
2. Once received, signups for the course will take place in the Acadis Portal. Both actions must be taken to be approved for the training.

Full details of the courses, prerequisites and other important information can be found on the Indiana IHAMR website: [on.in.gov/iahmr](http://on.in.gov/iahmr). Applicants must be certified hazmat technicians and have completed NIMS 100, 200 and 700. Applicants also cannot have attended a SERTC course in the last three (3) years.

Acadis registration questions: Justin Stump, [jstump@dhs.in.gov](mailto:jstump@dhs.in.gov)  
Course questions: Bill Huffer, [whuffer@dhs.in.gov](mailto:whuffer@dhs.in.gov)

*FEMA reimbursements require a very specific process and documentation. Please follow details closely to ensure eligibility.*
