

# Petition and Remonstrance Process\*

The petition and remonstrance process only applies to the following controlled projects:

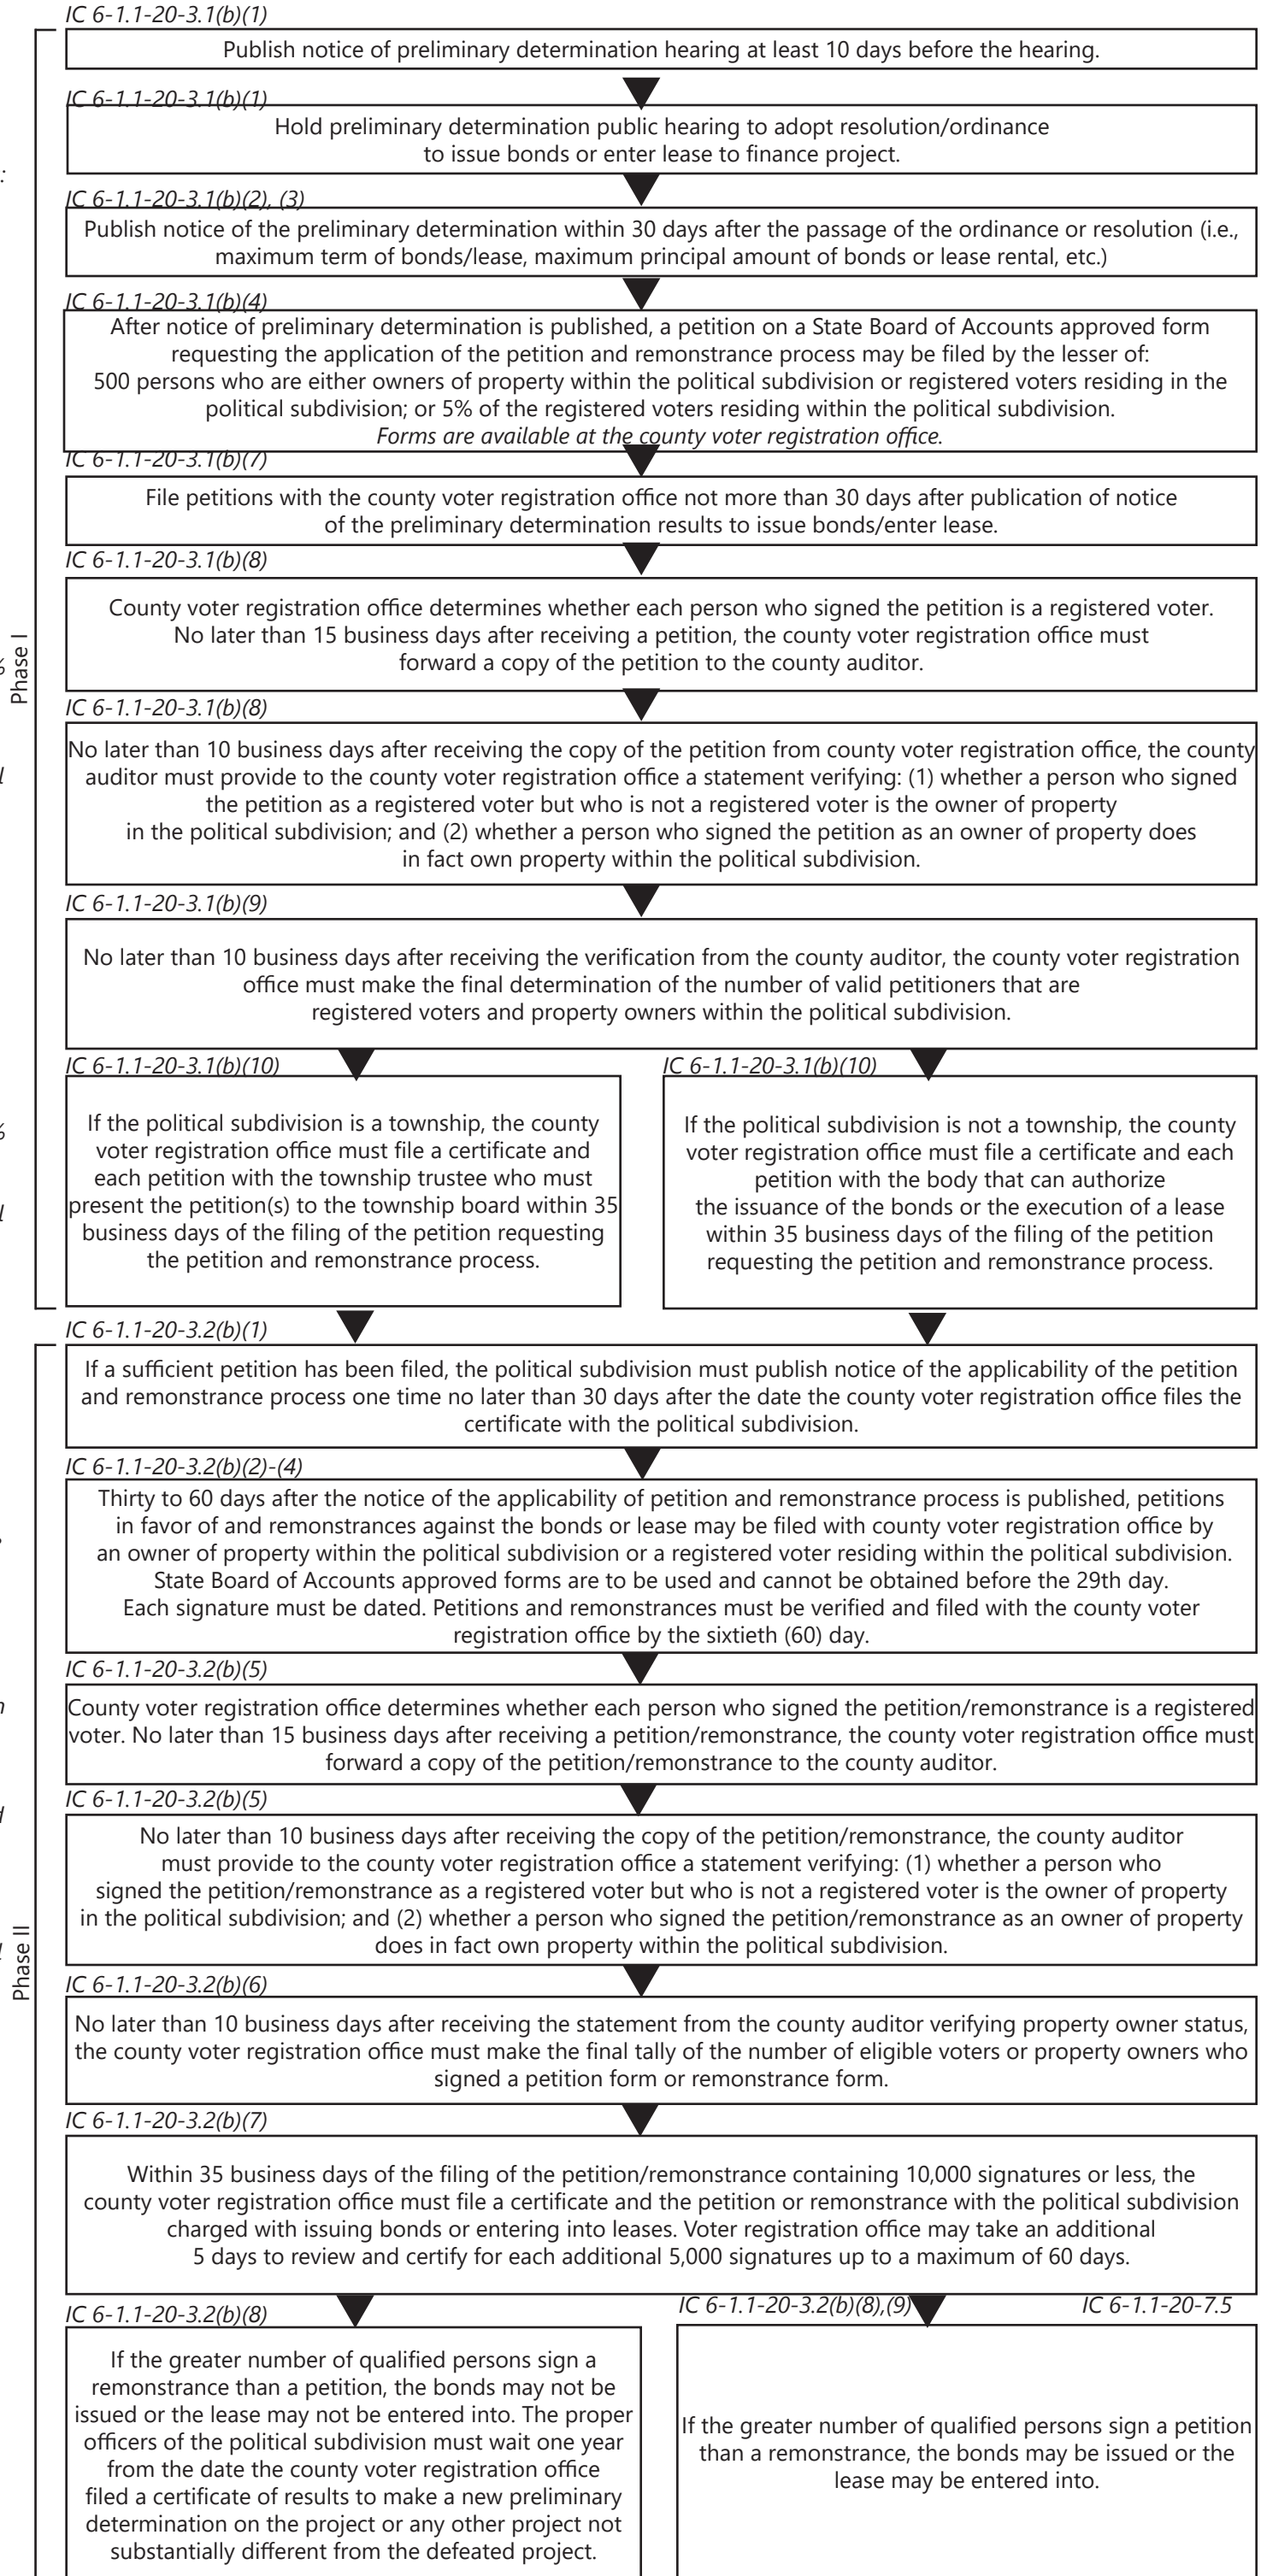

-An elementary school building, middle school building, high school building, or other school building for academic instruction that will be used for any combination of kindergarten through grade 12 and will not cost more than the lesser of \$15,000,000 or 1% of the total gross assessed value ("AV") of property within the political subdivision on the last assessment date, if that amount is at least \$10,000,000.

-Any other controlled project that will not cost the political subdivision more than the lesser of \$15,000,000 or 1% of the total gross AV of property within the political subdivision on the last assessment date, if that amount is at least \$1,000,000.

IC 6-1.1-20-3.1(a)

A political subdivision may adopt a resolution to place a referendum on the ballot instead of going through the petition and remonstrance process. Resolution must be adopted by the date of preliminary determination and must be certified to the county election board in each county where the political subdivision is located.

IC 6-1.1-20-3.8

\*Taxing units with appointed boards, such as libraries, must first receive approval of city, town or county fiscal body (whichever is applicable) before issuance of bond or lease rental agreements.

The city, town or county fiscal body approval would occur prior to the preliminary determination hearing in these cases.
