## Marking the Form “Ready to Submit”

At the bottom of Form 2 and all other forms you will notice the “Ready to Submit” status boxes. Before you complete the form you will notice a grey box that is titled “Not Ready to Submit.” The budget forms now have a feature built in called validation. This does not allow the form to be marked as Ready to Submit, or be submitted until the required fields are completed. Validation will help prevent some commonly found errors in the 2019 Budget. Under a closer look, you will notice that the box states,

*“You will be able to mark this form as 'Ready to Submit' once amounts have been entered in both 'July 1 to Dec 31, 2019' and 'Jan 1 to Dec 31, 2020' columns and the form has been signed with a valid four-digit PIN.”*

 **Not Ready To Submit** 

You will be able to mark this form as 'Ready to Submit' once amounts have been entered in both 'July 1 to Dec 31, 2012' and 'Jan 1 to Dec 31, 2013' columns and the form has been signed with a valid four-digit PIN.

Once information has been entered in the 'July 1 to Dec 31, 2019' and 'Jan 1 to Dec 31, 2020' columns, and you have signed the form with your PIN, the yellow “Ready to Submit” option will appear. This gives users the ability to mark the form as ready to submit by clicking on the check box. You will not want to check this box until all the line items, published, and adopted amounts columns are entered.

**Ready to Submit** 

This Form will still be editable after checking this box. The 'Ready to Submit' option allows a form to be set visibly complete throughout the application and to be officially submitted to DLGF from the Budget Form Menu. Only Submitting the form to DLGF from the Budget Form Menu will turn off the editing function of the form.

Once this box is checked, the box will turn green and the form will now be marked as Ready to Submit. Form 2 will still be editable until it is submitted.

A pop-up box appears asking if you are sure you want to submit this form. If you haven’t cleared off any errors, please take care of those first. If you are ready to submit, simply press “OK.”

As noted below, Form 2 on the Budget Form Menu will now appear green and will now only have the option to view the form as “read only.”

You may no longer edit a form once it is submitted. If you have submitted a form by mistake please contact the Department at [gateway@dlgf.in.gov](mailto:gateway@dlgf.in.gov) or at 317-232-3777.
