**TO:** County Assessors  
**FROM:** Barry Wood, Assessment Division Director  
**RE:** Assessor Survey  
**DATE:** August 13, 2020

The Assessment Division of the Department of Local Government Finance (“Department”) is conducting a survey of the county assessors. This survey is different from the survey conducted by the Department in the summer of 2018. The survey is conducted through SurveyMonkey and each elected assessor will receive a direct link to the survey to eliminate duplicate responses by a county.

A goal for the Department Assessment Field Representatives for 2020 is to meet one-on-one with each county assessor to discuss Standard Operating Procedures and “best practices.” However, due to the COVID-19 pandemic, the goal now is for the Assessment Field Representatives to arrange a “virtual” meeting with the county assessor via Microsoft Teams to discuss these items.

In order to be prepared for the meeting and to better address the county’s strengths and areas that may need attention, the survey will provide a basis for the conversation. If there are items not covered in the survey or if you would like to expand upon your response, please contact your [Assessment Field Representative](#) with your comments.

Please complete the survey by **Friday, August 21, 2020**.

Please contact Barry Wood, the Assessment Division Director, at (317) 232-3762 or [Bwood@dlgf.in.gov](mailto:Bwood@dlgf.in.gov) if you have any further questions. Thank you for your participation!
