RE: 2022 Supplemental Local Income Tax Distribution
DATE: May 12, 2022

The guidance below is to assist with the unit level calculations, distributions, and deposit of the 2021 Supplement Local Income Tax (“LIT”) Distribution as certified by the State Budget Agency (“SBA”) on May 1, 2022. As per Ind. Code § 6-3.6-9-15(d)(3), the county auditor shall distribute the supplemental LIT amounts to each eligible recipient before June 1, 2022.

Eligibility for this distribution is based on the SBA calculation of your county’s 2020 Trust Account Balance and your 2022 certified LIT distributions. This year there will be 87 counties eligible for the supplemental LIT distribution.

Along with this memo, the Department of Local Government Finance (“Department”) has posted unit-specific distributions for the supplement LIT. The unit-level distributions are based on the county LIT configuration and the same allocation percentages used for the 2020 LIT distribution. The unit-level report will separate the supplemental into separate pieces for Certified Shares, Public Safety, and Economic Development. A unit may use their supplemental LIT in accordance with any statutory stipulations associated with the type of LIT that they are eligible to receive. More specifically, if a unit receives a public safety supplemental LIT, it must be used for the same purposes outlined in statute for their public safety LIT.

County Auditors and Property Tax Relief

For any part of a supplemental distribution attributable to property tax relief credits, the adopting body for the county may allocate the supplemental distribution to property tax credits for not more than the three (3) years after the year the supplemental distribution is received. If the adopting body takes no action, the entire amount will be available for property tax relief in the ensuing year.

If you have questions about the distribution, please contact your [Department’s Budget Field Representative](#).
