SUBJECT: Pre-Budget Report and Data Collection

DATE: June 8, 2022

In advance of the 2023 budgets, the Department of Local Government Finance (“Department”) is collecting certain information from local governments through [Gateway](#). As has been the case in recent budget years, the Department has developed a Pre-Budget Report within the Gateway Budget application that all units of local government must complete. The deadline to complete the report is **June 30, 2022**.

The Department emphasizes that all information supplied by users for the Pre-Budget Report is considered a good-faith estimate. No information entered replaces existing processes, including those for levy appeals, taxpayer referenda, and debt service levies. Taxing units will still complete the regular Gateway Budget forms as completed in the past. No Department approvals are expressed or implied through this report.

Additional questions about the Pre-Budget Report may be directed to Support@dlgf.in.gov.
