**RE:** 2024 Budget Forms Now Available

**DATE:** July 17, 2023

The 2024 Budget Forms are now open and available for use in Gateway.

The Department of Local Government Finance (“Department”) has released the 2024 budget forms through [Gateway](#). Taxing units will use the Gateway Budget forms to submit budget information to the Department.

The upload process will largely mirror the 2023 budget process. Taxing units that choose to upload their funds, departments, Form 1: Budget Estimate, and Form 2: Miscellaneous Revenues, may do so at this time. The Department will release a separate memorandum to software vendors providing information about the 2024 budget upload process.

Questions related to the contents of the budget forms should be directed to the Department’s [Budget Field Representative](#) team. Technical questions about Gateway’s Budget application should be directed to the Department’s Gateway support team at [Support@dlgf.in.gov](mailto:Support@dlgf.in.gov).
