

Assessment Date	Acreage Rate
January 1, 2020	\$1,280
January 1, 2021	\$1,290
January 1, 2022	\$1,500
January 1, 2023	\$1,900
January 1, 2024	\$2,280

* The rate for January 1, 2025 has not been established as of the date this material was developed. The method of calculating the assessed value using the agricultural base rate will remain the same, with substituting the current year's rate in place of the old rate.
