The Department used information from various sources to compute these levies. Appeal amounts and maximum levy adjustments are based upon information submitted by taxing units to the Department as part of the pre-budget survey during May and June 2017. The actual maximum levy may differ from the figures provided in this report..

- (1) Appeals made permanent in 2017 will be listed here. New maximum levies will also be listed here. No implicit approval is provided through these estimates.
