Please note that the estimated tax cap impact for some school districts may be different from or higher than the actual 2018 impact. Schools listed in this report are those that received the waiver from protected taxes in 2017. Schools listed on this report may not be eligible in 2018, and schools not listed on this report may be eligible in 2018.

The Department notes that its estimates of property tax cap credits are not binding.

Please note that a unit's inclusion in this report does not replace the annual petition process for eligibility to waive protected taxes and does not guarantee that a school will be eligible to waive protected taxes.
