

**DEPARTMENT OF LOCAL GOVERNMENT FINANCE
100 NORTH SENATE AVENUE
IGC-N, ROOM N1058
INDIANAPOLIS, INDIANA 46204**

**IN THE MATTER OF THE REVIEW OF PROPOSED)
LANGUAGE AND ESTIMATED RATE CERTIFICATION)
FOR A BALLOT QUESTION REGARDING THE JOHNSON) No. 12-004-REF
COUNTY PUBLIC LIBRARY, JOHNSON COUNTY)**

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION SUBMITTED
FEBRUARY 1, 2012**

1. The Johnson County Public Library (“Library”) proposes to borrow money for a \$29,955,000 project to construct a new library building in Franklin and to renovate the existing Franklin and White River buildings.
2. Under Indiana law, the voters in the area served by the Library will vote in a referendum to approve or deny borrowing for the project and raise property taxes to support it.
3. Indiana law governs the format and wording of the ballot question for the referendum. Indiana Code 6-1.1-20-3.6(c).
4. Under Indiana law, “the **following question shall** be submitted to the eligible voters at the election”:

“Shall _____ (insert the name of the political subdivision) issue bonds or enter into a lease to finance _____ (insert a brief description of the controlled project), which is estimated to cost not more than _____ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by _____ (insert increase in tax rate as determined by the department of local government finance)?”

Indiana Code 6-1.1-20-3.6(c) (emphasis added).

5. The ballot question then must contain three parts:
 - a brief description of the project;
 - the estimated total project cost; and
 - the estimated tax rate increase for the project.
6. The law requires the Department of Local Government Finance (“Department”) to determine the estimate of the tax rate increase.

7. The law also requires the Department to either approve the ballot language or recommend that it be modified to ensure that the description of the controlled project is accurate and not biased.
8. On February 6, 2012, the Department received a letter from the Johnson County Election Board ("Board") enclosing a proposed ballot question for the referendum sought by the Library.
9. The Board requested that the Department review this proposed question:

"Shall Johnson County Public Library issue bonds to finance the construction of a new library building in Franklin, Indiana and for the renovation of the existing Franklin and White River buildings (the "Project"), which Project is estimated to cost not more than \$29,955,000 and is estimated to increase the property tax rate for debt service by a maximum of \$0.0426 per \$100 assessed value?"

Determination of Tax Rate Increase

10. The Department estimates the tax rate increase in reliance on the Library's proposed debt from the project, assessed valuation of the property in the area served by the Library, and an amortization schedule submitted by the Library. Based on this information, the Department determines the estimated tax rate increase of the project to be \$0.0426 per \$100 of assessed valuation.

Accuracy and Bias

11. The Department must also review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of or a vote against the controlled project. The Department concludes that the description of the controlled project is accurate and is not biased against either a vote in favor of or a vote against the controlled project.

Final Determination

12. WHEREFORE, based on the above findings and applicable law, the Department finds that the description of the controlled project is accurate and is not biased against either a vote in favor of or a vote against the controlled project. The Department certifies the proposed rate of \$0.0426 per \$100 of assessed valuation.

Dated this 6th day of February, 2012.
