To: Department of Local Government Finance

You will find in this workbook the sales ratio and equalization study for Newton County. Please notify the Newton County Assessor as soon as possible with any questions or with the certification of acceptance. They are very close to completing the process needed in order to print form 11's, but will not print the form 11's until hearing from the DLGF.

Due to amount of sales we grouped Townships with like homesites and same school districts together.

We also grouped all of the commercials and industrial properties together, to get the best trending factor available.

There was only one sale in Beaver township, thus our median is outside the IAAO standards.

The commercial properteis in Lincoln only had two sales but were trended with Lake township resulting in a 7% increase.

However, when the trending all commercial and industrial properties together as we have done, the trending factors are within the IAAO standards.

Please respond as soon as possible with any questions or concerns so that we can submit values to the Auditor.

Thank You,

Lester T. Moore
Newton County Assessor
