RATE CERTIFICATION FOR A BALLOT ) No. 19-007-REF  
QUESTION REGARDING HANOVER )  
COMMUNITY SCHOOL CORPORATION )**

---

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION SUBMITTED  
FEBRUARY 20, 2019**

---

1. Hanover Community School Corporation (“Corporation”) proposes to issue bonds or enter into a lease to finance the 2020 Safety, Efficiency, Capacity and Construction Project which includes renovation, improvement, expansion and security upgrades to the middle school and high school campuses, the construction of a new facility for upper grade elementary students, a resource center and improvements at existing school facilities including technology and security upgrades and which is estimated to cost not more than \$44,090,000 and is estimated to increase the property tax rate for debt service by \$0.5605 per \$100 of assessed valuation.
2. Under Indiana law, the voters in the area served by the Corporation will vote in a referendum to approve or deny borrowing for the project and raise property taxes to support it.
3. Indiana law governs the format and wording of the ballot question for the referendum. Indiana Code 6-1.1-20-3.6(c).
4. Under Indiana law, “the **following question shall** be submitted to the eligible voters at the election”:

“Shall \_\_\_\_\_ (insert the name of the political subdivision) issue bonds or enter into a lease to finance \_\_\_\_\_ (insert a brief description of the controlled project), which is estimated to cost not more than \_\_\_\_\_ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by \_\_\_\_\_ (insert increase in tax rate as determined by the department of local government finance)?”

Indiana Code 6-1.1-20-3.6(c) (emphasis added).

5. The ballot question then must contain three parts:
  - a brief description of the project;

- the estimated total project cost; and
  - the estimated tax rate increase for the project.
6. The law requires the Department of Local Government Finance (“Department”) to determine the estimate of the tax rate increase.
  7. The law also requires the Department to either approve the ballot language or recommend that it be modified to ensure that the description of the controlled project is accurate and not biased.
  8. On February 20, 2019, the Department received an e-mail from the Lake County Board of Elections and Voter Registration containing the Corporation’s proposed question.
  9. The Board requested that the Department review this proposed question:

“Shall the Hanover Community School Corporation issue bonds or enter into a lease to finance the 2020 Safety, Efficiency, Capacity and Construction Project which includes renovation, improvement, expansion and security upgrades to the middle school and high school campuses, the construction of a new facility for upper grade elementary students, a resource center and improvements at existing school facilities including technology and security upgrades and which is estimated to cost not more than \$44,090,000 and is estimated to increase the property tax rate for debt service by \$0.5605 per \$100 of assessed valuation?”

#### **Determination of Tax Rate Increase**

10. The Department estimates the tax rate increase in reliance on the Corporation’s proposed debt from the project, assessed valuation of the property in the area served by the Corporation, an amortization schedule submitted by the Corporation, and estimated miscellaneous revenues. Based on this information, the Department certifies a rate of \$0.5605 per \$100 of assessed valuation.

#### **Accuracy and Bias**

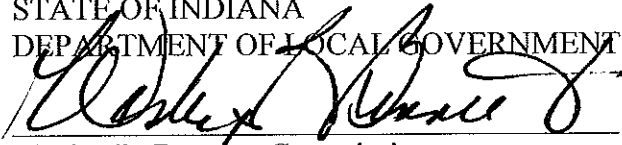

11. The Department must review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of or a vote against the controlled project. The Department concludes that the description of the controlled project is not inaccurate and not biased against either a vote in favor of or a vote against the controlled project.

#### **Final Determination**

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with 6-1.1-20-3.6(c) and approves the language as proposed. The Department certifies a rate of \$0.5605 per \$100 of assessed valuation.

Dated this 22<sup>nd</sup> day of February, 2019.
