METROPOLITAN SCHOOL DISTRICT) No. 18-003-REF
OF WARREN TOWNSHIP, MARION)
COUNTY)**

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION SUBMITTED
JANUARY 25, 2018**

1. Metropolitan School District of Warren Township, Marion County, (“District”) proposes to place an operating referendum on the ballot for the purpose of establishing a referendum tax levy with a tax rate not to exceed twenty-one cents (\$0.21) per one hundred dollars (\$100) of assessed value.
2. Under Indiana law, voters in the area served by the District will vote in a referendum to approve or deny the District’s proposed tax rate.
3. Indiana law governs the format and wording of the ballot question for the referendum.
4. Under Indiana law, the “question to be submitted to the voters in the referendum **must read as follows**”:

“For the __ (insert number) calendar year or years immediately following the holding of the referendum, shall the school District impose a property tax rate that does not exceed _____ (insert amount) cents (\$0. __) (insert amount) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school District for the purpose of funding _____ (insert short description of purposes)?”

Indiana Code 20-46-1-10 (emphasis added).

5. The ballot question then must contain three parts:
 - the number of calendar years for which the tax will be in effect;
 - the amount of the tax rate; and
 - the purpose of the funding.
6. The law requires the Department of Local Government Finance (“Department”) to review the language for compliance with IC 20-46-1-10. The Department may either approve or reject the language.

7. On January 25, 2018, the Department received a facsimile from the District presenting the proposed ballot question for the referendum.
8. The District requested that the Department review this proposed question:

“For the eight (8) calendar years immediately following the holding of the referendum, shall the Metropolitan School District of Warren Township, Marion County, impose a property tax rate that does not exceed twenty-one cents (\$0.2100) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of paying a portion of the cost incurred in connection with (a) transporting students, (b) continuing and expanding activities, initiatives and programs related to teacher retention, professional development and special assignment, (c) continued 1:1 technology programs, (d) safety and security programs, and (e) other various student learning, collect and career readiness and enrichment programs and opportunities?”

Compliance of Language

9. The Department must review the proposed language for compliance with IC 20-46-1-10. The Department may either approve or reject the language. The Department concludes that the language is in compliance with IC 20-46-1-10.

Final Determination

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with IC 20-46-1-10 and approves the language as proposed.

Dated this 31st day of January, 2018.
