BALLOT QUESTION REGARDING) No. 20-019-REF
WAWASEE COMMUNITY SCHOOL)
CORPORATION)**

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION SUBMITTED JULY
21, 2020**

1. Wawasee Community School Corporation (“Corporation”) proposes to place an operating referendum on the ballot for the purpose of continuing a referendum tax levy with a tax rate not to exceed twenty-eight and five tenths cents (\$0.285) per one hundred dollars (\$100) of assessed value.
2. Under Indiana law, voters in the area served by the Corporation will vote in a referendum to approve or deny the Corporation’s proposed tax rate.
3. Indiana law governs the format and wording of the ballot question for the referendum.
4. Under Indiana law, the “question to be submitted to the voters in the referendum **must read as follows**”:

“For the __ (insert number) calendar year or years immediately following the holding of the referendum, shall the school corporation impose a property tax rate that does not exceed _____ (insert amount) cents (\$0.__) (insert amount) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of funding _____ (insert short description of purposes)?”

Indiana Code 20-46-1-10 (emphasis added).
5. The ballot question then must contain three parts:
 - the number of calendar years for which the tax will be in effect;
 - the amount of the tax rate; and
 - the purpose of the funding.
6. The law requires the Department of Local Government Finance (“Department”) to review the language for compliance with IC 20-46-1-10. The Department may either approve or reject the language.
7. On July 21, 2020, the Department received a resolution from the Corporation presenting the proposed ballot question for the referendum. The proposed ballot question is as follows:

"For the eight (8) calendar years immediately following the holding of the referendum, shall Wawasee Community School Corporation impose a property tax rate that does not exceed twenty-eight and five tenths cents (\$0.285) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of funding the expansion of safety and security measures, and the retention and expansion of school programming and instruction, including career-and-technical education and adult education?"

Compliance of Language

8. The Department must review the proposed language for compliance with IC 20-46-1-10. The Department may either approve or reject the language. The Department concludes that the language is in compliance with IC 20-46-1-10.

Final Determination

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with IC 20-46-1-10 and approves the language as proposed.

Dated this 22nd day of July, 2020.
