WHEREAS, pursuant to Indiana Code § 6-1.1-20-3.5, as amended, if the Board proposes to impose property taxes to pay debt service on bonds or lease rentals on any, renovation, improvement, remodeling or alteration project, which is not excluded under Indiana Code § 6-1.1-20-1.1, as amended, it must conduct at least two public hearings on the preliminary determination to proceed with such project prior to the Board’s adopting any resolution or ordinance making a preliminary determination to issue such bonds or enter into such lease; and

WHEREAS, pursuant to Indiana Code § 20-26-7-37, as amended, a public hearing must be held if the Board proposes to construct, repair or alter a school building at a cost of more than \$1,000,000 that would be financed by a lease agreement, issuing bonds, or any other available method; and

WHEREAS, notice of said hearings have been given in accordance with Indiana law; and

WHEREAS, interested people have been given the opportunity to present testimony and ask questions concerning the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project at a public hearing held on November 25, 2019, and on this date, and this Board has heard public input at a public hearing held on November 25, 2019, and on this date concerning the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project; and

WHEREAS, the Board, being duly advised, finds that it is in the best interests of the School Corporation and its citizens for the purpose of financing all or any portion of the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project to issue one or more series of general obligation bonds (collectively, the “General Obligation Bonds”) and/or enter into negotiations with one or more Indiana nonprofit school building corporations (collectively, the “Building Corporation”) to acquire all or any portion of any of the facilities operated or to be operated by the School Corporation, and enter into a lease or leases or an amendment or amendments to an existing lease or existing leases (collectively, the “Leases”) with the Building Corporation, as lessor, for all or any portion of the facilities operated or to be operated by the School Corporation, in order to better serve the residents of the School Corporation, by allowing the Building Corporation to issue first mortgage bonds in one or more series (collectively, the “First Mortgage Bonds”), which First Mortgage Bonds and General Obligation Bonds (collectively, the “Bonds”) will not exceed an original aggregate principal amount of One Hundred Thirty Million Dollars (\$130,000,000); and

WHEREAS, the Board desires to declare its intent to reimburse the Expenditures pursuant to Treas. Reg. § 1.150-2 and Indiana Code §5-1-14-6(c), as amended.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SCHOOL TRUSTEES OF THE FORT WAYNE COMMUNITY SCHOOLS, ALLEN COUNTY, INDIANA, AS FOLLOWS:

Section 1. The Board hereby makes a preliminary determination that there exists a need for the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project. Accordingly, the Board hereby makes a preliminary determination that to the extent permitted by law the Board will take all of the necessary steps to issue the General Obligation Bonds and/or enter into the Leases with the Building Corporation for all or any portion of the facilities operated or to be operated by the School Corporation, pursuant to which the Building Corporation and the School Corporation will finance all or any portion of the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project. The School Corporation and the Building Corporation will finance all or any portion of the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project through the issuance of one or more series of the Bonds. The total maximum original aggregate principal amount of the Bonds will not exceed \$130,000,000, or such greater amount in the case of the issuance of any first mortgage bonds all or a portion of which will be used to refund all or any portion of the First Mortgage Bonds. Each of the series of the Bonds issued will have a maximum term not to exceed twenty (20) years from the date such series of Bonds are issued. Each of the Leases with respect to each series of First Mortgage Bonds will have a maximum term not to exceed twenty-two (22) years. The proposed term of each of the Leases or addendum thereto will begin on the date each such Lease or addendum thereto is recorded by the School Corporation and the Building Corporation in connection with the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project.

Based on estimated interest rates that will be paid in connection with the Bonds ranging between one percent (1.00%) and five percent (5.00%) per annum, the total interest cost associated therewith will not exceed \$105,700,000 (which amount is net of any funds received by the School Corporation or the Building Corporation from the United States of America as a result of any or all of the Bonds being issued under one or more federal tax credit programs) and not taking into account any funds of the School Corporation or the Building Corporation being available for capitalized interest. Including interest costs, the maximum annual principal and interest to be paid on the Bonds plus the maximum annual lease rental to be paid by the School Corporation under the Leases is \$13,925,000 (which amount is net of any funds received by the School Corporation or the Building Corporation from the United States of America as a result of any or all of the Bonds being issued under one or more federal tax credit programs), and the maximum total principal and interest to be paid on the Bonds plus the total lease rental paid by the School Corporation over the term of the Leases is \$235,700,000 (which amount is net of any funds received by the School Corporation or the Building Corporation from the United States of America as a result of any or all of the Bonds being issued under one or more federal tax credit programs), not taking into account any funds of the School Corporation or the Building Corporation available for capitalized interest.

The School Corporation's certified total exempt and non-exempt debt service fund tax levy for 2018 pay 2019 (which is the most recent certified tax levy) is \$20,700,704, and the School Corporation's exempt and non-exempt debt service fund tax rate for 2018 pay 2019 (which is the most recent certified tax rate) is \$0.2573 per \$100 of assessed value. The School Corporation's estimated total exempt and non-exempt debt service fund tax levy for 2019 pay 2020 is \$24,410,585, and the School Corporation's estimated exempt and non-exempt debt service fund tax rate for 2019 pay 2020 is \$0.2890 per \$100 of assessed value. The estimated total maximum exempt and non-exempt debt service fund tax levy for the School Corporation and the estimated total maximum exempt and non-exempt debt service fund tax rate for the School Corporation after the issuance of the Bonds are anticipated to occur no earlier than 2021 pay 2022 and will be \$25,890,845 and \$0.3028 per \$100 of assessed value, respectively, as a result of the payment of the debt service on the General Obligation Bonds and the lease rentals under the Lease. This maximum exempt and non-exempt debt service fund rate and levy are also the annual amounts the School Corporation expects to occur during each of the first ten years after the issuance of the first series of the Bonds. The percent of the School Corporation's current annual debt service/lease payments and projected maximum annual debt service/lease payments after the issuance of the Bonds compared to the net assessed value of taxable property within the School Corporation is approximately forty-two one hundredths of one percent (0.42%). The percent of the School Corporation's outstanding long term debt, together with the outstanding long term debt of other taxing units that include any of the territory of the School Corporation, compared to the net assessed value of taxable property within the School Corporation is approximately four and sixty-one one hundredths of one percent (4.61%).

The estimated completion date of the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project is December 31, 2026. The Board estimates that the operational costs associated with the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project will have no negative impact on the School Corporation's tax rate upon completion of the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project.

Section 2. A notice of the foregoing preliminary determinations set forth in Section 1 of this resolution shall be given in accordance with Indiana Code § 6-1.1-20-3.5, as amended. In the event that a sufficient petition requesting the application of the local public question process to the Bonds and/or the Leases related to the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project has been filed as set forth in Indiana Code § 6-1.1-20-3.5, as amended, the question recommended to be submitted by the Allen County Auditor to the registered voters at the election conducted under Indiana Code § 6-1.1-20-3.6, as amended, shall be as follows: "Shall the Fort Wayne Community Schools, Allen County, Indiana, issue bonds or enter into a lease to finance the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project which includes restoration and renovation work at approximately 37 buildings and which is estimated to cost not more than \$130,000,000 and is estimated to increase the property tax rate for debt service by \$0.1486 per \$100 of assessed valuation?"

The Superintendent of the School Corporation (the "Superintendent") or her designee is authorized to make any and all changes or modifications to the form of the question recommended to the Allen County Auditor and the Allen County Election Board which the Superintendent or her designee deem necessary or desirable to convey the purposes and goals of the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project and the intentions of the Board.

Section 3. The Board hereby declares its official intent that to the extent permitted by law, to issue the General Obligation Bonds and/or execute the Leases with the Building Corporation, and to request the Building Corporation to issue the First Mortgage Bonds in one or more series or issues, which First Mortgage Bonds, together with the original aggregate principal amount of the General Obligation Bonds will not exceed an original aggregate principal amount of approximately One Hundred Thirty Million Dollars (\$130,000,000), and to reimburse costs of the 2020 FWCS School Building Basic Renewal/Restoration and Safety Project consisting of the Expenditures from proceeds of the sale of such Bonds.

Section 4. Any and all actions previously taken by any member of the Board, the Superintendent or her designee or the Chief Financial Officer of the School Corporation or her designee in connection with the foregoing preliminary determinations, including, but not limited to, publication of the notice of the public hearing held in connection with such preliminary determinations, be, and hereby are, ratified and approved.

PASSED AND ADOPTED this 9th day of December, 2019.
