100 NORTH SENATE AVENUE  
IGC-N, ROOM N1058  
INDIANAPOLIS, INDIANA 46204**

**IN THE MATTER OF THE REVIEW )  
OF PROPOSED LANGUAGE AND )  
ESTIMATED RATE CERTIFICATION )  
FOR A BALLOT QUESTION REGARDING ) No. 14-005-REF-A  
PERRY TOWNSHIP SCHOOLS, MARION )  
COUNTY )**

---

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION  
RESUBMITTED FEBRUARY 4, 2015**

---

1. On January 29, 2015, the Department of Local Government Finance (“Department”) disapproved proposed language for a referendum sought by Perry Township Schools (“Corporation”), which proposes to issue bonds or enter into a lease to finance the 2016 Strong Schools Strong Community A+ Project in order to provide 89 classrooms for kindergarten through fifth grades, restrooms, cafeteria and kitchen spaces and middle school music areas to meet currently anticipated student growth needs, which is estimated to cost not more than \$50,000,000 and is estimated to increase the property tax rate for debt service by \$0.1346 per \$100 of assessed valuation.

2. On February 4, 2015, the Marion County Election Board (“Board”) submitted the following revised question to the Department:

“Shall the Perry Township Schools, Marion County, Indiana, issue bonds or enter into a lease to finance the 2016 Strong Schools Strong Community A+ Project in order to provide 89 classrooms for kindergarten through fifth grades, restrooms, cafeteria and kitchen spaces and middle school music areas to meet the currently anticipated student growth needs and plan for the future of the Perry Township community, which is estimated to cost not more than \$50,000,000 and is estimated to increase the property tax rate for debt service by \$0.1346 per \$100 of assessed valuation?”

3. Indiana law governs the format and wording of the ballot question for the referendum. Indiana Code 6-1.1-20-3.6(c).

4. Under Indiana law, “the **following question shall** be submitted to the eligible voters at the election”:

“Shall \_\_\_\_\_ (insert the name of the political subdivision) issue bonds or enter into a lease to finance \_\_\_\_\_ (insert a brief description of the controlled

project), which is estimated to cost not more than \_\_\_\_\_ (insert the total cost of the project) and is estimated to increase the property tax rate for debt service by \_\_\_\_\_ (insert increase in tax rate as determined by the department of local government finance)?”

Indiana Code 6-1.1-20-3.6(c) (emphasis added).

5. The ballot question then must contain three parts:
  - a brief description of the project;
  - the estimated total project cost; and
  - the estimated tax rate increase for the project.
6. The law requires the Department to determine the estimate of the tax rate increase.
7. The law also requires the Department to either approve the ballot language or recommend that it be modified to ensure that the description of the controlled project is accurate and not biased.

#### **Determination of Tax Rate Increase**

8. The Department estimates the tax rate increase in reliance on the Corporation’s proposed debt from the project, assessed valuation of the property in the area served by the Corporation, and an amortization schedule submitted by the Corporation. Based on this information, the Department certifies a rate of \$0.1346 per \$100 of assessed valuation. This rate accounts for miscellaneous revenues to debt service of approximately 6.7515%.

#### **Accuracy and Bias**

9. The Department must review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of or a vote against the controlled project. The Department concludes that the description of the controlled project is not inaccurate and not biased against either a vote in favor of or a vote against the controlled project.

#### **Final Determination**

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with 6-1.1-20-3.6(c) and approves the language as proposed. The Department certifies the proposed rate of \$0.1346 per \$100 of assessed valuation.

Dated this 5<sup>th</sup> day of February, 2015.
