QUESTION REGARDING SCHOOL CITY         )        No. 16-012-REF-A  
OF MISHAWAKA                                )**

---

**FINDINGS AND FINAL DETERMINATION ON PROPOSED QUESTION RESUBMITTED  
JUNE 24, 2016**

---

1. On June 23, 2016, the Department of Local Government Finance (“Department”) disapproved a proposed ballot question from the School City of Mishawaka (“Corporation”), which proposes to place an operating referendum on the ballot for the purpose of establishing a referendum tax levy with a tax rate not to exceed twenty-four and thirty-four hundredths cents (\$0.2434) per one hundred dollars (\$100) of assessed value.
2. On June 24, 2016, the Corporation submitted a revised question to the Department.
3. Under Indiana law, voters in the area served by the Corporation will vote in a referendum to approve or deny the Corporation’s proposed tax rate.
4. Indiana law governs the format and wording of the ballot question for the referendum.
5. Under Indiana law, the “question to be submitted to the voters in the referendum **must read as follows**”:

“For the \_\_ (insert number) calendar year or years immediately following the holding of the referendum, shall the school corporation impose a property tax rate that does not exceed \_\_\_\_\_ (insert amount) cents (\$0. \_\_) (insert amount) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of funding \_\_\_\_\_ (insert short description of purposes)?”

Indiana Code 20-46-1-10 (emphasis added).

6. The ballot question then must contain three parts:
  - the number of calendar years for which the tax will be in effect;
  - the amount of the tax rate; and
  - the purpose of the funding.
7. The law requires the Department of Local Government Finance (“Department”) to review the language for compliance with IC 20-46-1-10. The Department may either approve or reject the language.

8. The Corporation has requested that the Department review this proposed question:

“For the seven (7) calendar years immediately following the holding of the referendum, shall the School City of Mishawaka, St. Joseph County, Indiana, impose a property tax rate that does not exceed twenty-four and thirty-four hundredths cents (\$0.2434) on each one hundred dollars (\$100) of assessed valuation and that is in addition to all other property taxes imposed by the school corporation for the purpose of funding new technology hardware and software for students and teachers, implementing new educational programs, adjusting class sizes and increasing employee compensation?”

### Compliance of Language

9. The Department must review the proposed language for compliance with IC 20-46-1-10. The Department may either approve or reject the language. The Department concludes that the language is in compliance with IC 20-46-1-10.

### Final Determination

WHEREFORE, based on the above findings and applicable law, the Department finds that the proposed language is in compliance with IC 20-46-1-10 and approves the language as proposed.
