SALES DISCLOSURE FORM INSTRUCTIONS (Revised July 20, 2021)

Indiana law requires a sales disclosure form (SDF) to be reviewed for completeness by the county assessor before being forwarded to the county auditor and must be completed whenever a “conveyance document” is filed. The county auditor may not accept a conveyance if: (1) the sales disclosure form is not included with the conveyance document; or (2) the sales disclosure form is incomplete and/or is not stamped by the county assessor. A separate SDF is required for each parcel conveyed, regardless of whether more than one (1) parcel is conveyed under a single conveyance document. However, only one (1) SDF is required if there is a single conveyance document that conveys two (2) or more contiguous parcels located entirely within a single taxing district. A person filing a sales disclosure form marked only with sales conditions subject to a disclosure filing fee shall pay a fee of ten dollars ($10.00) to the county auditor.

DEFINITIONS

CONVEYANCE – means any transfer of a real property interest for valuable consideration. (IC 6-1.1-5.5-1) A transfer of property for no consideration or rerecording a prior transaction to correct an error is NOT considered a conveyance for purposes of IC 6-1.1-5.5.

CONVEYANCE DOCUMENT – Any of the following that purports to transfer a real property interest for valuable consideration: (1) a document; (2) a deed; (3) a contract of sale; (4) an agreement; (5) a judgment; (6) a lease that includes the fee simple estate and is for a period in excess of ninety (90) years; (7) a quitclaim deed serving as a source of title; and (8) a document presented for recording that purports to transfer a real property interest for valuable consideration. The following are considered a conveyance document, but are not subject to a SDF filing fee: (1) documents for compulsory transactions as a result of foreclosure or express threat of foreclosure, divorce, court order, judgment, condemnation, or probate; (2) documents involving the partition of land between tenants in common, joint tenants, or tenants by the entirety; and (3) a transfer to a charity, not-for-profit organization, or government. (IC 6-1.1-5.5-2(a))

Filers should note that the following are NOT considered a conveyance document and do NOT require the submission of the SDF: (1) security interest documents such as mortgages or trust deeds; (2) leases that are for a term of less than ninety (90) years; (3) agreements and other documents for mergers, consolidations, and incorporations involving solely non-listed stock; (4) quitclaim deeds not serving as a source of title; and (5) public utility or governmental easements or rights of way. (IC 6-1.1-5.5-2(b))

This might include items such as washers, dryers, window treatments, stoves and refrigerators. Other items considered personal property are boats and other vehicles, inventories (livestock, goods in process or for trade, or agricultural commodities) and machinery used in farming or manufacturing.

3. Hydroelectric Power Device Deduction (IC 6-1.1-12-33)

If the buyer(s) uses the SDF as an application for any of these deductions, the following fields must be completed:
NOTE: Individuals may also be eligible for other credits or deductions for which separate application may be required. Additionally, if there is no underlying property transaction, the SDF cannot be used as an application for a deduction.
