1. The property tax cap is calculated separately for each class of property owned by the taxpayer.
2. Charges not subject to the property tax caps include property tax levies approved by voters through a referendum. When added to the base property tax cap amount for your property, this creates the effective tax cap. For more information, see the back of this document. Information regarding the referendums proposed during the most recent elections can be located online at: [www.in.gov/dlgf/referendum-information](http://www.in.gov/dlgf/referendum-information).
3. If any circumstances have changed that would make you ineligible for a deduction that you have been granted per Table 5 of this tax bill, you must notify the county auditor. If such a change in circumstances has occurred and you have not notified the county auditor, the deduction will be disallowed and you may be liable for taxes and penalties on the amount deducted.

### NOTICE OF PROPERTY TAX ASSESSMENTS

The credit caps the increase of the homestead property tax liability of credit recipient at two percent (2%).

#### TABLE 2: PROPERTY TAX CAP INFORMATION

**Property Tax Cap** – Property may not be taxed above caps prescribed by law, unless voters approve additional taxes. Those caps are 1% for homesteads, 2% for other residential property and farm land, and 3% for all other classes of property. When voters approve additional spending in a referendum, an **adjustment to the cap** is made to reflect the additional expense. This excess revenue is calculated as a separate value and added to the cap figure.

This new value is considered your effective property tax cap or the **maximum that may be imposed under the cap**. Taxpayers should note that the circuit breaker cap amount is the combined cap amount for all classes of property applicable to a parcel.

Information on the valuation of your property and a copy of the property record card can be obtained from your assessor at (\_\_\_\_\_) or [http://www.\\_\\_\\_\\_\\_](http://www._____). To obtain a review of an assessment, the taxpayer must file an appeal via a Form 130. If the Form 11 is mailed before May 1 of the assessment year, the filing deadline for real property is June 15 of that year. If the Form 11 is mailed after April 30 of the assessment year, the filing deadline for real property is June 15 in the year that the tax statements are mailed. For personal property assessments, the filing deadline is not later than forty-five (45) days after the date of the required notice (Form 11).

NOTE: Failure to file a timely Form 130 can be grounds for dismissal of this appeal. The assessing official who receives an appeal filed by a taxpayer must:

- (1) immediately forward the notice to the county board; and (2) schedule a preliminary informal meeting with the taxpayer in order to resolve the appeal.

For further instructions on filing an appeal or correction of error, contact your assessor at (\_\_\_\_\_) - \_\_\_\_\_.

**Please note that the appeal requires relevant evidence of the true tax value of the property as of the assessment date (January 1, 2022, for mobile homes assessed under IC 6-1.1-7 and January 1, 2021, for real property).**
