**RE:** Library Capital Projects Funds  
**DATE:** June 26, 2012

On March 19, 2012, Governor Mitch Daniels signed into law House Enrolled Act 1072 (“HEA 1072”). Section 124 of HEA 1072 amends IC 36-12-12-5 so that a library board is no longer required to submit its resolution establishing a capital projects fund (“CPF”) and its CPF plan to the Department of Local Government Finance (“Department”) and the Department can no longer require that a Notice of Submission be provided to taxpayers.

Instead, if the library board passes a resolution establishing a CPF and the appropriate fiscal body or bodies approve the CPF plan, the library board must publish a Notice of Adoption in accordance with IC 5-3-1-2(i).

Ten or more taxpayers who will be affected by the adopted plan may file a petition with the county auditor of a county in which the library district is located not later than ten days after the publication of the Notice of Adoption. The petition must set forth the taxpayers’ objections to the proposed plan and the county auditor must immediately certify the petition to the Department.

This amendment takes effect July 1, 2012.
