On May 7, 2013, Governor Mike Pence signed into law House Enrolled Act 1110-2013 ("HEA 1110"), effective July 1, 2013. HEA 1110 amends IC 20-40-8-19 to extend the period a school corporation ("school") may use school capital projects funds to pay up to one hundred percent (100%) of the costs of utility services, property or casualty insurance, or both utility service and property or casualty insurance, from before January 1, 2014, to before January 1, 2016. The cap on expenditures by a school for this use, set at three and five-tenths percent (3.5%) of the school's 2005 calendar year distribution, remains in effect.
