The purpose of this memorandum is to provide information on the local income tax estimated distributions for 2018. The estimates are being provided pursuant to Indiana Code 6-3.6-9-5 and are based on the estimated local income tax certifications provided by the State Budget Agency on October 2. The estimates prepared by the Department of Local Government Finance (“Department”) allocate to each applicable taxing unit in the county the revenue estimated by the State Budget Agency.

These are estimates only and will be updated to certified distributions later this year. Additional information about the Local Income Tax Estimates can be found in the memo linked below.
