**MEMORANDUM**

To: County Auditors  
From: Jim Landers, Director  
Re: Property Tax Incentive Survey  
Date: March 5, 2018

---

In 2014, the Indiana General Assembly required the Legislative Services Agency (LSA) to examine various tax incentives over a five-year cycle, and then to repeat the cycle in the following five years. This year, the fifth and final year of the first cycle of our analysis, the LSA is scheduled to examine several property tax incentives. Unfortunately, none of the incentives have their own adjustment codes and are not readily identified in the ADJMENTS file that you send to us each year. In order to gather data on these incentives, we are asking for your help. By filling out the attached survey, you will allow us to provide a sound, data-driven report to your state legislators. Detailed instructions on how to complete the survey are provided in the document. Please attach the completed survey in an email to [Austin.Spears@iga.in.gov](mailto:Austin.Spears@iga.in.gov) by Thursday, May 3, 2018.

We greatly appreciate your time and efforts on this survey. If you have any questions at all, please do not hesitate to email Austin Spears: [Austin.Spears@iga.in.gov](mailto:Austin.Spears@iga.in.gov) or call 317-234-9454.
