SUBJECT: 2019 Local Income Tax Distribution Estimates

DATE: August 16, 2018

Late yesterday, the Department of Local Government Finance (“Department”) posted an amendment to the August 10, 2018 Local Income Tax Distribution (“LIT”) Estimates for 10 counties. Each unit in the county will have seen a change in their total estimate LIT distribution for 2019 compared to the August 10, 2018 estimates. The updated report may be found at <https://www.in.gov/dlgf/2339.htm>.

The Department will release another report containing unit level estimates in early October, then will release the final report containing the 2019 certified LIT figures in early November. Each report released by the Department will contain updated amounts based on the LIT rate changes submitted to and approved by the Department.
