**RE:** 2020 Budget Forms are Available for Use  
**DATE:** June 17, 2019

**The 2020 Budget Forms are now open and available for use in Gateway.**

The Department of Local Government Finance (“Department”) has released the 2020 budget forms through Gateway. Gateway may be accessed at <http://gateway.in.gov>. Taxing units will use the Gateway Budget forms to submit budget information to the Department. The forms look and operate similarly to the 2019 budgets.

Taxing units that choose to upload their funds, departments, Form 1: Budget Estimate, and Form 2: Miscellaneous Revenues may do so at this time. The Department will release a separate memorandum to software vendors providing information about the 2020 budget upload process. As is the case with the budget forms, the upload process will largely mirror the 2019 process.
