2020 INDIANA CHAPTER IAAO COURSE MEMO AND REGISTRATION

TO: All County & Township Assessors, County Auditors, PTABOA Members, and Vendors

FROM: Barry Wood, Assessment Division Director

DATE: March 11, 2020

SUBJECT: 2020 Indiana Chapter IAAO Courses

The Department of Local Government Finance (“Department”) in conjunction with the Indiana Chapter of the International Association of Assessing Officers (“ICIAAO”) will sponsor IAAO courses as a continuing education opportunity.

The Department will pay the registration fee for two employees from each county and each elected township assessor’s office who have not taken the course previously through the Department. Eligible registrants are county assessors and/or deputies, elected township assessors and/or their deputies, county auditors and/or their deputies and appointed members of the PTABOA. For county and township employees IAAO uses the two per county or township rule. If more than two registrations per county or elected township assessor’s office are received for a course, employers will be contacted to decide which employees are the two to attend at the Department’s expense. Additional employees may register at the county’s or their own expense.

In order for the Department to pay the registration fee, registrants must sign both an A.M. and P.M. sign-in sheet and take the exam at the end of the course. Successful completion of the exam is not a requirement.

Those who have taken the course previously, all vendors, those who do not attend the entire course, or those individuals who do not take the exam will be responsible for payment of the registration fee. Anyone who registers for the course and cancels within ten (10) days of the course or who does not attend any part of the course—without specific approval from the Department or ICIAAO—will also be responsible for payment of the registration fee. Emergencies will be taken into consideration, and if there is a waitlist and the spot can be filled, no fee will be charged to the person canceling.

The courses will be filled on a first-come, first-serve basis without regard to the employer, using the received date and time from the email, postmark, or fax. Once a course is filled (50 people maximum) additional registrants will be placed on a waitlist. The position on the waitlist will also be determined by the date and time stamp on the email, postmark, or fax.
All class registrations will be handled online by the Indiana Chapter of IAAO through their website:

www.iaao-indiana.com

The link to the registration is at the top of the page under the CLASSES section. If you are unable to access the website or are experiencing technical difficulties, please contact Ginny Whipple by phone or email.

As mentioned above, those who have taken the course previously, all vendors, those who do not attend the entire course, or those who do not take the exam will be responsible for payment of the registration fee. **Times**
Courses will begin promptly at 8:00 a.m. and end at 5:00 p.m. (local time at the course site). On Friday, the examination will begin at 8:00 a.m. and convene at 12:00 p.m.

**What to bring to the course**
#2 Pencils, a calculator, ruler, and paper to keep notes.

**Overnight Lodging**
The Department will not be responsible for overnight lodging reservations. The registrant shall take full responsibility for their own accommodations.

**Per Diem**
In accordance with the rules promulgated by the Department governing the payment of travel expenses associated with approved training sessions (50 IAC 20), a township assessor (and
deputies), a county assessor (and deputies), or a PTABOA member who attends this session is entitled to receive a mileage allowance and the per diem as set by the county in which the official resides, under the travel rules of the county*. A person is entitled to a round trip mileage allowance only for travel between the person’s place of work and the training site nearest to the person’s place of work. Claims are to be paid, without regard to appropriation, from either the county general or cumulative reassessment fund.

*If a county does not have an approved travel policy, the participant’s reimbursement will be governed by the travel rules of the State of Indiana in effect at that time.
