## **EXHIBIT A**

### **REFERENDUM TAX LEVY RESOLUTION**

WHEREAS, Indiana Code § 20-46-1, as amended (the "Act"), permits a public school corporation to adopt a resolution to place a referendum on the ballot if the governing body of the school corporation determines that the school corporation cannot, in a calendar year, carry out its public educational duty unless it imposes a referendum tax levy under the Act; and

WHEREAS, the administration and the Board of School Trustees (the "Board") of the School City of Beech Grove (the "School Corporation") have been investigating the need for a potential referendum levy (the "Referendum Levy") in order to fund essential educational and operational expenditures of the School Corporation; and

WHEREAS, the Board, being the governing body of the School Corporation, has determined that based on current revenue calculations for the years 2027 through and including 2034, the School Corporation will not be able to carry out its public educational duty unless it annually imposes a referendum tax levy in accordance with the Act; and

WHEREAS, pursuant to the Act, a copy of a proposed Revenue Spending Plan was presented to the Board, which is attached to this Resolution as Exhibit A-1 (the "Revenue Spending Plan"); and

WHEREAS, based on the foregoing, the Board now desires to adopt a resolution to place a referendum on the November 3, 2026 ballot under the Act; now, therefore,

BE IT RESOLVED, that this Board hereby determines that based on current revenue calculations for the years 2027 through and including 2034, the School Corporation will not be able to carry out its public educational duty unless it imposes a maximum annual referendum property tax rate of \$0.57 and a maximum annual referendum property tax levy of \$4,400,000 starting in 2027 through and including 2034.

BE IT FURTHER RESOLVED, that the School Corporation has substantially complied with the procedures required by Indiana Code § 20-46-1-8 regarding the voluntary participation of charter schools in the referendum tax levy. Certain charter schools timely responded in writing with a desire to participate. Therefore, the School Corporation plans to distribute revenue from the referendum tax levy deposited with the School Corporation to certain charter schools. The individual revenue spending plans of such charter schools are hereby incorporated by reference and are included in Exhibit A-2 attached hereto and made a part hereof.

BE IT FURTHER RESOLVED, that there shall be placed on a ballot to be considered in a referendum of the registered voters residing in the boundaries of the School Corporation at an election to be held on November 3, 2026, a question in substantially the following format, subject to completion and determination of certain information by the Marion County Auditor as required by law, and subject to approval by the Indiana Department of Local Government Finance (the "DLGF"):

"Shall the School City of Beech Grove increase property taxes paid to the school corporation for no more than eight (8) years for the purpose of funding the Beech Grove City Schools: Believe in our Future initiative, by continuing existing essential student services, including school bus transportation, school facilities maintenance, and student safety and security services, including School Resource Officers, by imposing a property tax rate that does not exceed fifty-seven cents (\$0.57) and results in a maximum annual amount that does not exceed \$4,400,000? If this operating referendum public question is approved by the voters, for a median residence of \$200,000, the property's annual property tax bill would increase by \$493 per year."

BE IT FURTHER RESOLVED, that the Superintendent or the Business Manager (collectively, the "Administration"), or the President or Secretary of the Board, be and hereby is authorized to certify a copy of this resolution to the DLGF in accordance with the Act.

BE IT FURTHER RESOLVED, that the Revenue Spending Plan presented at this meeting and attached hereto as Exhibit A-1 is hereby approved and adopted. Further, the Board confirms that such plan may be amended and supplemented each year as part of the budget process, as permitted by Indiana Code § 20-46-1-8(g) and all other applicable laws.

BE IT FURTHER RESOLVED, that any officer of the Board and the Administration each hereby is authorized, empowered and directed, on behalf of the School Corporation, to take any and all action as such person deems necessary or desirable to effectuate the foregoing resolutions, including (i) requesting the Marion County Auditor determine certain information for the aforementioned form of the public question, as required by the Act, and (ii) making any revisions to the aforementioned form of the public question, or a replacement of such question in its entirety, in order to receive approval from the DLGF; further, that all such actions heretofore made or taken by the Board or the Administration be, and hereby are, ratified and approved.

### Proposed Revenue Spending Plan

*Pursuant to I.C. 20-46-1-8(f) as applicable to the Referendum Tax Levy which will be proposed to voters on November 3, 2026*

#### Referendum Question Information:

- Number of Years of Referendum Tax Levy: 8
- Funding Purposes: School bus transportation, school facilities maintenance, and student safety and security services, including School Resource Officers
- Maximum Tax Levy: \$4,400,000

"Shall the School City of Beech Grove increase property taxes paid to the school corporation for no more than eight (8) years for the purpose of funding the Beech Grove City Schools: Believe in our Future initiative, by continuing existing essential student services, including school bus transportation, school facilities maintenance, and student safety and security services, including School Resource Officers, by imposing a property tax rate that does not exceed fifty-seven cents (\$0.57) and results in a maximum annual amount that does not exceed \$4,400,000? |---------------------------------------------------------------------------------------------------------------|--------------------------|
| <b>Estimate of the <u>total annual</u> revenue expected to be collected from the referendum levy:</b>         | \$4,400,000 <sup>1</sup> |
| <b>Projected 2027 revenue expected to be distributed to all charter schools which elected to participate:</b> | \$97,484 <sup>2 3</sup>  |
| <b>Projected 2027 revenue expected to be distributed to the School City of Beech Grove:</b>                   | \$4,302,516              |

<sup>1</sup> Estimate of the annual 2027 revenue expected to be collected. No assumptions regarding assessed valuation growth or loss are made in this Revenue Spending Plan. The School Corporation plans to amend this plan each year and over time to account for the needed revenue of the School Corporation each year, per IC § 20-46-1-8(g).

<sup>2</sup> This is estimated based on current law and information available to the School Corporation. This proposed revenue spending plan may deviate if the actual charter school distributions exceed or are lower than the projected charter school distributions described in IC § 20-46-1-8(e).

<sup>3</sup> Based upon revenue spending plans provided by participating charter schools by June 16, 2026. Herron School of Art and Design met the requirements to be a participating charter school; however, as of June 16, 2026, Herron School of Art and Design has not provided a revenue spending plan to the School Corporation. This figure therefore assumes \$4,957 allocated to general educational expenditures for the Herron School of Art and Design.
