

**HAMILTON COUNTY AUDITOR'S CERTIFICATION
OF PERCENTAGES INCLUDED IN OPERATING REFERENDUM QUESTION**

To: Department of Local Government Finance ("DLGF");

I, Todd Clevenger, am the Auditor of Hamilton County as of the date hereof. I have received a request on behalf of the governing body of the Westfield Washington Schools (the "School Corporation") to determine the percentages to be included in the form of the ballot question for an operating referendum pursuant to Indiana Code 20-46-1-10.

I have referred to the language of Senate Enrolled Act 1, effective July 1, 2025, and written guidance provided by the Indiana Department of Local Government Finance.

The majority of the School Corporation's assessed valuation is located within Hamilton County. The School Corporation is also located in Boone County. Based on the DLGF Memo, I have coordinated with the Auditor of Boone County in making the calculation below.

I have determined that the following figures should be included in the form of the question provided by the School Corporation:

- A. School Corporation's median household assessed value; rounded up to the next fifty thousand dollars (\$50,000) of \$250,000; and
- B. Dollar amount by which the annual property tax bill for a household of the aforementioned assessed value would increase per year, rounded up to the next whole dollar, if the School Corporation imposes a maximum annual referendum tax rate of \$0.40 and a maximum annual referendum tax levy of \$2,900,000: \$454.

As requested by the DLGF, I have attached to this certification my data and worksheets used for purposes of the calculations.
