MADISON COUNTY AUDITOR'S CERTIFICATION OF CERTAIN INFORMATION INCLUDED IN REFERENDUM QUESTION

To: Department of Local Government Finance ("DLGF"):

I, Todd Culp, am the Auditor of Madison County, Indiana as of the date hereof. I have received a request on behalf of the governing body of Anderson Community School Corporation (the "School Corporation") to determine certain figures to be included in the form of the ballot question for a referendum pursuant to Indiana Code § 20-46-1-10.1.

I have referred to the statutory language and guidance previously provided by the Indiana Department of Local Government Finance.

I have determined that the following figures should be included in the form of the question provided by the School Corporation:

A. School Corporation's median household assessed value, rounded up to the next fifty thousand dollars ($50,000): $100,000.00; and

B. Dollar amount by which the annual property tax bill for a household of the aforementioned assessed value would decrease per year, rounded up to the next whole dollar, if the School Corporation does NOT renew the current maximum annual referendum tax rate of $0.1077 or impose a maximum annual referendum tax levy of $2,903,078: $54.00.

As requested by the DLGF, I have attached to this certification my data and worksheets used for purposes of the above determinations.
