I, Jennifer Welsh, am the Auditor of Daviess County, Indiana as of the date hereof. I have received a request on behalf of the governing body of Barr-Reeve Community Schools, Inc. (the "School Corporation") to determine certain figures to be included in the form of the ballot question for a referendum pursuant to Indiana Code § 20-46-1-10.

I have referred to the statutory language and guidance previously provided by the Indiana Department of Local Government Finance.

I have determined that the following figures should be included in the form of the question provided by the School Corporation:

- A. School Corporation's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000): \$250,000 __; and
- B. Dollar amount by which the annual property tax bill for a household of the aforementioned assessed value would increase per year, rounded up to the next whole dollar, if the School Corporation imposes a maximum annual referendum tax rate of \$0.40 and a maximum annual referendum tax levy of \$2,200,000: \$454.00 __.

As requested by the DLGF, I have attached to this certification my data and worksheets used for purposes of the calculations.
