

**GRANT COUNTY AUDITOR'S CERTIFICATION OF CERTAIN
INFORMATION INCLUDED IN REFERENDUM QUESTION**

To: Department of Local Government Finance ("DLGF"):

I, Angie Jarvis, am the Auditor of Grant County, Indiana as of the date hereof. I have received a request on behalf of the governing body of Mississinewa Community School Corporation (the "School Corporation") to determine certain figures to be included in the form of the ballot question for a referendum pursuant to Indiana Code § 20-46-1-10.

I have referred to the statutory language and guidance previously provided by the Indiana Department of Local Government Finance.

I have determined that the following figures should be included in the form of the question provided by the School Corporation:

A. School Corporation's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000): \$ 150,000 and

B. Dollar amount by which the annual property tax bill for a household of the aforementioned assessed value would increase per year, rounded up to the next whole dollar, if the School Corporation imposes a maximum annual referendum tax rate of \$0.4950 and a maximum annual referendum tax levy of \$2,000,000: \$ 294.00.

As requested by the DLGF, I have attached to this certification my data and worksheets used for purposes of the above determinations.
