

**MADISON COUNTY AUDITOR'S CERTIFICATION OF INFORMATION INCLUDED
IN REFERENDUM TAX LEVY FUND PUBLIC QUESTION**

To: Indiana Department of Local Government Finance (the "DLGF")

I, Todd Culp, hereby certify that I am the duly elected and qualified Auditor of Madison County, Indiana, as of the date hereof, and that I have received a request on behalf of the Elwood Community School Corporation, Madison County, Indiana (the "School Corporation"), to determine certain information to be included in the form of the public question for a referendum tax levy fund proposed by the School Corporation pursuant to Indiana Code § 20-46-1-10, as amended.

I have referred to the language set forth in the form of the public question set forth in Indiana Code § 20-46-1-10, as amended, and the written guidance provided by the DLGF on June 18, 2025.

Based on the foregoing and the proposed maximum tax proposed by the School Corporation for the referendum tax levy fund of \$0.49 per \$100 of net assessed value, I have determined that the following information should be included in the form of the public question provided by the School Corporation for the proposed referendum tax levy fund:

- A. The School Corporation's median household assessed value rounded up to the next fifty thousand dollars (\$50,000) is \$100,000.00; and
- B. The dollar amount of the median household's annual property tax bill rounded up to the next whole dollar would increase by \$245.00.

As requested by the DLGF, I have attached to this certification my data and worksheets used for the purposes of the foregoing calculations.

Dated: May 29, 2026

AUDITOR OF MADISON COUNTY,
INDIANA
