**CERTIFICATION OF PERCENTAGES
INCLUDED IN REFERENDUM QUESTION**

I, Julie L. Voorhies, the duly elected and acting Auditor of Marion County, Indiana, have received a request on behalf of the governing body of Franklin Township Community School Corporation (the "School Corporation") to determine the percentages to be included in the form of the ballot question for a controlled projects referendum pursuant to IC 6-1.1-20-3.6.

I have referred to the Memoranda by the Indiana Department of Local Government Finance (the "DLGF") entitled "Legislative Changes to Property Tax Referenda (May 21, 2021) and "Property Tax Referendum Calculations" (July 27, 2021).

I have used the proposed tax rate of \$0.2099 provided by the School Corporation to certify the calculations set forth herein.

Accordingly, I hereby certify that the following percentages should be included in the form of the question provided by the School Corporation:

- A. The estimated average percentage of property tax increase on a residence to be paid to the School Corporation would be **24.4%**.
- B. The estimated average percentage of property tax increase on a business property to be paid to the School Corporation would be sixteen percent **16.0%**.

As requested by the DLGF, I have attached to this certification my data and worksheets used for purposes of the calculations.

Julie L. Voorhies,
Auditor of Marion County, Indiana

Date: December 17, 2021
