### CERTIFICATION OF PERCENTAGES INCLUDED IN REFERENDUM QUESTION

I, Myla Eldridge, the duly elected and acting Auditor of Marion County, Indiana, have received a request on behalf of the Board of School Trustees for the School Town of Speedway (the "School Corporation") to determine the percentages to be included in the form of the ballot question for a renewal referendum pursuant to IC 20-46-1-10.1.

I have referred to the Memoranda by the Indiana Department of Local Government Finance (the "DLGF") entitled "Legislative Changes to Property Tax Referenda" (May 21, 2021) and "Property Tax Referendum Calculations" (July 27, 2021).

I have used the maximum tax rate of \$0.59, which is the same originally approved by the voters in 2016, and have used the property assessment data, tax rates, tax deductions, tax credits, and school referenda levy for 2016-pay-2017 in calculating the percentages herein.

Accordingly, I hereby certify that the following percentages should be included in the form of the question provided by the School Corporation:

" . . . originally increased the average property tax paid to the school corporation per year on a residence with the school corporation by **179.0%** and originally increased the average property tax paid to the school corporation per year on a business property within the school corporation by **175.1%**."

As requested by the DLGF, I have attached to this certification my data and worksheets used for purposes of the calculations.

Myla Eldridge,  
Auditor of Marion County, Indiana
