

**HAMILTON COUNTY AUDITOR'S CERTIFICATION
OF PERCENTAGES INCLUDED IN REFERENDUM QUESTION**

To: Department of Local Government Finance ("DLGF"):

I, Robin Mills, am the Auditor of the Hamilton County, Indiana as of the date hereof. I have received a request on behalf of the governing body of the Sheridan Community Schools (the "School Corporation") to determine the percentages to be included in the form of the ballot question for a referendum pursuant to Indiana Code § 20-46-1-10.1.

I have referred to the Memoranda by the DLGF dated as of May 27, 2021 regarding the Legislative Changes to Property Tax Referenda and Property Tax Referendum Calculations.

The majority of the School Corporation's assessed valuation is located within Hamilton County. The School Corporation is also located in Boone County. Based on the DLGF Memo, I have coordinated with the Auditor of Boone County and relied on information provided by that Auditor in regard to homesteads and businesses located within the School Corporation in Boone County in making the calculation below.

I have used the maximum tax rate provided by the School Corporation of \$0.25.

I have determined that the following percentages should be included in the form of the question provided by the School Corporation:

- A. Estimated average percentage of property tax increase on a residence of 23.05%, and
- B. Estimated average percentage of property tax increase on a business of 23.05%.

As requested by the DLGF, I have attached to this certification my data and worksheets used for purposes of the calculations.
