DNR 30-DAY PUBLIC NOTICE

The Department of Natural Resources serves the DNR 30-Day Public Notice in order to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3.

The DNR 30-Day Public Notice is published weekly to serve notice of the latest permit applications received at the DNR, Division of Water. This Notice can be viewed on the web at <http://www.in.gov/dnr/water/> and can be provided by email upon written request. To receive the DNR 30-Day Public Notice as a weekly email attachment, email your full name and a valid email address to DNRPublicNoticeRecipient@dnr.IN.gov.

The permit applications and supporting documentation is available for public viewing on-line at <https://dowunity.dnr.in.gov/#>. For questions concerning a permit application, contact the Division of Water, Technical Services Section, at (317) 232-4160 or toll free at 1-877-928-3755 and select 1 during the recorded menu narrative.

Petition for Public Hearing

A pre-action public hearing on an application may be requested by filing a written petition. For a petition to be considered valid it must:

1. contain the typed or legibly printed name and complete mailing address of each petitioner;
2. be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. affirm that each signatory to the petition satisfies the requirements of item 2; and
4. identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted. To request a pre-action public hearing, send the petition by email to water_inquiry@dnr.in.gov or by mail to:

IDNR, Division of Water
Technical Services Section
402 West Washington Street, Room W264
Indianapolis, Indiana 46204-2641

Notification of Department Action

A person may request that the Department notify them when a Department Action is issued. To be notified of a Department Action, send a request that includes the permit application number or the applicant name, project description and county to email address water_inquiry@dnr.in.gov or by mail to the address above.

Permit Application Numbers with a prefix of:

FW are being reviewed under the Flood Control Act, IC 14-28-1 and the Flood Plain Management Rule, 312 IAC 10

DNR 30-DAY PUBLIC NOTICE

Date: 4/29/2026

Application #: FW-33686-0

Received Date: 3/30/2026

Waterbody: Jacks Defeat Creek

County: Monroe

Applicant: Early Learners Childcare LLC, Caitlyn DeWitt, 5012 North Kaylee Court, , , Bloomington, IN, 47404

Project Description: A new, semi-private shadow box fence will be constructed with pressure treated lumber within the Jacks Defeat Creek floodway. The fence will have a perimeter of approximately 18' on the west and east sides, 50' on the north side and a 3.5' gate on the south side. The fence will have a maximum height of 4' on the Temperence Street side and will have a maximum height of 6' on all other sides.

Project Location: 114 West Temperence Street at Ellettsville

Application #: PL-25417-0

Received Date: 4/9/2026

Waterbody: Webster Lake

County: Kosciusko

Applicant: Steven Kemp, 100 EMS W 30B Lane, , , North Webster, IN, 46555

Project Description: An existing concrete seawall will be refaced across 85' of the shoreline. The reface layer will consist of reinforced concrete which will be tied to the existing wall with 1/2 inch re-rod. The reface layer will have a maximum thickness of 12" and will be sloped on the lakeward side. A 36" wide concrete walkway will be constructed on top and landward of the lakeward face of the refaced wall.

Project Location: 100 EMS W30B Lane at North Webster
