

DNR 30-DAY PUBLIC NOTICE

The Department of Natural Resources serves the DNR 30-Day Public Notice in order to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3.

The DNR 30-Day Public Notice is published weekly to serve notice of the latest permit applications received at the DNR, Division of Water. This Notice can be viewed on the web at <http://www.in.gov/dnr/water/> and can be provided by email upon written request. To receive the DNR 30-Day Public Notice as a weekly email attachment, email your full name and a valid email address to DNRPublicNoticeRecipient@dnr.IN.gov.

The permit applications and supporting documentation is available for public viewing on-line at <https://downunity.dnr.in.gov/#>. For questions concerning a permit application, contact the Division of Water, Technical Services Section, at (317) 232-4160 or toll free at 1-877-928-3755 and select 1 during the recorded menu narrative.

Petition for Public Hearing

A pre-action public hearing on an application may be requested by filing a written petition. For a petition to be considered valid it must:

1. contain the typed or legibly printed name and complete mailing address of each petitioner;
2. be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. affirm that each signatory to the petition satisfies the requirements of item 2; and
4. identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted. To request a pre-action public hearing, send the petition by email to water_inquiry@dnr.in.gov or by mail to:

IDNR, Division of Water
Technical Services Section
402 West Washington Street, Room W264
Indianapolis, Indiana 46204-2641

Notification of Department Action

A person may request that the Department notify them when a Department Action is issued. To be notified of a Department Action, send a request that includes the permit application number or the applicant name, project description and county to email address water_inquiry@dnr.in.gov or by mail to the address above.

Permit Application Numbers with a prefix of:

FW are being reviewed under the Flood Control Act, IC 14-28-1 and the Flood Plain Management Rule, 312 IAC 10

SG are being reviewed under the Sand and Gravel Permits Act, IC 14-29-3

AC are being reviewed under the Construction of Channels Act, IC14-29-4

DNR 30-DAY PUBLIC NOTICE

Date: 7/6/2022

Application #: FW-31629-0

Waterbody: West Fork White River

Applicant: Duke Energy LLC, Brian Catt, 1000 East Main Street, Plainfield, IN, 46168

Received Date: 5/18/2022

County: Owen

Project Description: Approximately 470' of West Fork White River was previously stabilized. The work involved grading the bank to a 2:1 slope, installation of Class 1 riprap at the toe of the slope, installation of revetment riprap along the bank, relocation of an existing failed structure (Structure 1326, relocated 75' southeast), and construction and removal of a temporary access road.

Project Location: Approximately 2900' east and 200' north of the intersection of County Line Road and North Texas Ridge Road near Gosport

Application #: FW-31633-0

Waterbody: North Fork Dry Branch

Applicant: Indianapolis Department of Public Works, Rick Kruchten, 1200 Madison Avenue, Suite 200, Indianapolis, IN, 46225

Received Date: 5/20/2022

County: Marion

Project Description: Approximately 450' of the south bank will be stabilized with INDOT revetment riprap in conjunction with the reconstruction of the north shoulder of East 86th Street. The riprap will be set 5' bank from the top of bank and will have a maximum 1:1 side slope. The finished elevation of the riprap fill will vary from 819.03' to 820.69' NGVD. A temporary pump around will be needed to complete the project.

Project Location: Beginning at the intersection of East 86th Street and Carroll Road (Marion/Hancock County line) and continue west (downstream) for approximately 450' near Indianapolis

Application #: FW-31651-0

Waterbody: Tippecanoe River

Applicant: Keith Hathaway, 1048 North 1275 West, , Battle Ground, IN

Received Date: 6/1/2022

County: Tippecanoe

Project Description: A 90' long gravel boat ramp will be constructed along 20' of applicant's 200' river frontage. The ramp will have an 8:1 slope. Side slopes will have 1' riprap over geotextile fabric at 2:1 slope. Excavation material will be spread on site above the regulatory flood elevation. Total area of disturbance will be less than 0.5 acres.

Project Location: 1048 North 1275 West near Battle Ground

Application #: FW-31659-0

Waterbody: Kankakee River

Applicant: Kankakee River Basin and Yellow River Basin Development Commission, Scott Pelath, 6100 Southport Road, Portage, IN, 46368

Received Date: 6/8/2022

County: Jasper

Project Description: A controlled breach will be designed in the existing berm along the southside of the Kankakee River to allow water to flood into the Aukiki Wetland Conservation Area. The existing flood intake structure designed to let flood water inundate the site through a series of pumps and low flow channels is no longer functioning. In order to allow water to return to the site, a controlled breach will be implemented at the site.

Project Location: Approximately 1,000' upstream from the State Road 49 stream crossing near Wheatfield

Application #: FW-31668-0

Waterbody: Tippecanoe River

Applicant: Donald Fritts, 11415 West Tecumseh Bend Road, Brookston, IN, 47923

Received Date: 6/14/2022

County: Carroll

Project Description: An existing residence along the Tippecanoe River will undergo maintenance. Older wood will be removed and replaced, and the structure will be elevated on blocks. In addition, flood venting will be installed on the structure approximately 1' above existing grade.

Project Location: 11415 Tecumseh Bend Road near Brookston

Application #: PL-24638-0

Waterbody: Winona Lake

Applicant: Joshua Hearne, 4705 Middaugh Avenue, , , IN

Received Date: 5/26/2022

County: Kosciusko

Project Description: An existing Steel seawall will be refaced along approximately 156' of the shoreline. The refacing will consist of 8' vinyl sheet piling which will be driven and anchored to deadman anchors 12' into the property. The refacing will have a maximum thickness of 6". The vinyl sheets will have a 4' exposure and the area behind the wall will backfilled with clean peastone (156'x 2'x 4').

Project Location: 49 Little Eagle Drive

parcel: 43-11-16-400-240.000-032

Legal Description: 004-074-050 LOT 49 FAIR LANE SD 1 near Warsaw

Application #: PL-24642-0

Waterbody: Wawasee Lake

Applicant: Glen Phillips, 8255 West Sunrise Drive, , , Syracuse, IN, 46567

Received Date: 5/31/2022

County: Kosciusko

Project Description: An existing concrete seawall will be refaced using concrete along 50' of shoreline. The refacing will consist of re-enforced concrete which will be tied to the existing wall with 1/2" re-rod. The refacing will have a maximum thickness of 12" and will be sloped on the lakeward side. A 36" wide concrete walkway will be constructed on top and landward of the lakeward face of the refaced wall.

Project Location: 8255 West Sunrise Drive near Syracuse

Application #: PL-24643-0

Waterbody: Wawasee Lake

Applicant: Nancy Martin, 7299 East Eli Lilly Road, , , Syracuse, IN, 46567

Received Date: 5/31/2022

County: Kosciusko

Project Description: An existing concrete seawall will be refaced using concrete along 58' of shoreline. The refacing will consist of re-enforced concrete which will be tied to the existing wall with 1/2" re-rod. The refacing will have a maximum thickness of 12" and will be sloped on the lakeward side. A 24" wide concrete walkway will be constructed on top and landward of the lakeward face of the refaced wall.

Project Location: 7299 East Eli Lilly Road near Syracuse

Application #: PL-24644-0

Waterbody: Wawasee Lake

Applicant: Joseph Martin, 7277 East Eli Lilly Road, , , Syracuse, IN, 46567

Received Date: 5/31/2022

County: Kosciusko

Project Description: An existing concrete seawall will be refaced across a 50' portion of the shoreline. The reface layer will consist of reinforced concrete tied to the existing wall with 1/2" re-rod. The reface layer will have a maximum thickness of 12" and will be sloped on the lakeward side. A 24" wide concrete walkway will be constructed on top and landward of the lakeward face of the refaced wall.

Project Location: 7277 East Eli Lilly Road near Syracuse

Application #: PL-24655-0

Waterbody: Simonton Lake

Applicant: Renee' Cocanower, 25614 North Shore Drive, , , Elkhart, IN, 46514

Received Date: 6/15/2022

County: Elkhart

Project Description: An existing concrete seawall will be removed and replaced with glacial stone along 82' of the shoreline. The wall will be composed of 6" to 34" diameter glacial stone and the lakeward face will be at the legal lake level. Glacial stone will be placed on top of geotextile fabric and washed river rock.

Project Location: 25614 North Shore Drive at Elkhart

Application #: PL-24656-0

Waterbody: High Lake

Applicant: Mark East, 2329 South Stone Street, Albion, IN, 46701

Received Date: 6/16/2022

County: Noble

Project Description: A new glacial stone seawall will be constructed along 50' of the shoreline.

Project Location: 2402 South Stone Street at Albion

Application #: PL-24660-0

Waterbody: Oliver Lake

Applicant: Patricia Hart, 0810 East 465 South, Wolcottville, IN, 46795

Received Date: 6/23/2022

County: Lagrange

Project Description: A new concrete seawall will be constructed along 53' of the shoreline.

Project Location: 0810 East 465 South near Wolcottville
