E. Other Comments

Plan appropriately for a park setting. Be aware that the Park is open to campers and visitors throughout the duration of the project. Secure the construction area especially open excavations.

The Group Camp will be open until August 1st.

Make certain to fall trees safely and secure trees appropriately. Site shall be left free from hazardous conditions resulting from contractor operations completed before April 1st.

F. Questions

Tree sections 8" and larger are to be placed at the Park per Property Manager's direction.

Smaller woody items can be mulched and spread evenly throughout the wooded area or removed from the property. Mulch is not to be used as seeding mulch.

Root wads are to be disposed of offsite.

G. Additional Information

Contractors interested in renting the Group Camp for their workers can make arrangements with the Park.

Contact Park Manager for cottage amenities (water, heat, electricity, etc.).

The central bath house will be available while the group camp is rented until freezing weather requires it to be winterized.

The rates are:

6-person cottage - \$33.60 per day

12-person cottage - \$44.80 per day

16-person cottage - \$56.00 per day

Dining Hall - \$107 per day
